

TEKTURA 480 x 320 mm

The image shows a technical drawing of a rectangular panel. The panel is light gray and is surrounded by a thick blue border. Two vertical blue lines are drawn on the panel, one on the left and one on the right, representing a central groove. A horizontal double-headed arrow spans the width of the panel, with the text 'TEKTURA 480 x 320 mm' centered above it. Below this, another horizontal double-headed arrow spans the width of the panel, with the text 'OKLEINA 510 x 350 mm' centered above it. In the lower right area, a horizontal double-headed arrow indicates the width of the central groove, with the text 'GRZBIET 15 mm' centered above it. There are small circular symbols at the corners and midpoints of the panel's edges, likely representing mounting points or registration marks.
